

Donetsk City Council projects

Project Brief

1. Project title		
Reconstruction of Shevchenko Boulevard from Artema str. till 50-years SRSR str., which includes: <ul style="list-style-type: none">- Reconstruction of Shevchenko Boulevard from Artema str. till Cheluskintsev str.;- Reconstruction of Shevchenko Boulevard from Cheluskintsev str. till 50-richchya SRSR str.;		
2. Brief description (incl. physical quantities)		
Common length of reconstruction of boulevard equals 0,519 km, which includes: 0,26 km in segment from Artema str. till Cheluskintsev str. by broadening of roadway and beautification; 0,259 km in segment from Cheluskintsev str. till 50-years SRSR str. by broadening of roadway and beautification.		
3. Cost estimate (state currency, without VAT)		
Approximate cost of reconstruction of Shevchenko Boulevard from Artema str. till 50-years SRSR str. – 21590,5 Tsd. UAH., which includes: <ul style="list-style-type: none">- Reconstruction of Shevchenko Boulevard from Artema str. till Cheluskintsev str. – 10431,3 Tsd. UAH.;- Reconstruction of Shevchenko Boulevard from Cheluskintsev str. till 50-years SRSR str. – 1159,2 Tsd. UAH.;		
4. Status of project preparation (design, feasibility study, environmental impact assessment, planning approvals, land acquisition, tendering)		
Approval Stage	Date	Status (obtained / in process / planned)
Working project	Being expertized	
5. Envisaged financing plan and status of funding approvals		
Revenue side of the Municipal budget amounts to 1772168,9 Tsd. UAH		
6. Potential borrower of loans from, source of loan repayment		
Donetsk city council		
7. Technical assistance required for project preparation		
Not required		

Project Brief for EIB/EBRD

1. Project title		
Reconstruction of Illiycha from Lenina square till Constitution square		
2. Brief description (incl. physical quantities)		
Common length of reconstruction of boulevard equals 0,643 km, foreseen replacement of existent travelling coverage from a sett, which fully useless for exploitation.		
3. Cost estimate (state currency, without VAT)		
Approximate cost of reconstruction of Illiycha from Lenina square till Constitution square 38040,915 Tsd. UAH.		
4. Status of project preparation (design, feasibility study, environmental impact assessment, planning approvals, land acquisition, tendering)		
Approval Stage	Date	Status (obtained / in process / planned)
Uncompleted stage of WP; sections which are not: organization of travelling motion; an estimation of influence is on an environment		
5. Envisaged financing plan and status of funding approvals		
Revenue side of the Municipal budget amounts to 1772168,9 Tsd. UAH		
6. Potential borrower of loans, source of loan repayment		
Donetsk city council		
7. Technical assistance required for project preparation		
Not required		

Project Brief

1. Project title		
<p>Reconstruction of Shevchenko Boulevard from 50-years SRSR str. till Maria Ulyanova str., which includes: broadening of Shevchenko Boulevard from 50-years SRSR str. till Krasnogvardeysiy Boulevard:</p> <ul style="list-style-type: none"> - from 50-years SSSR str. till Naberegnaya str.; - from Maria Uljanova str. till Naberegnaya str.; 		
2. Brief description (incl. physical quantities)		
<p>Common length of broadening of boulevard equals 2,142 km, which includes 0,5 km in segment from 50-years SSSR str. till Naberegnaya str.; 1,442 km in segment from Maria Uljanova str. till Naberegnaya str.; 0,2 km – existing bridge. Broadening of roadway is to be provided by reduction of side-path.</p>		
3. Cost estimate (state currency, without VAT)		
<p>Approximate cost of reconstruction of Shevchenko Boulevard from 50-years SRSR str. till Maria Ulyanova str. – 42132,991 tsd. hrv., among them: broadening of Shevchenko Boulevard from 50-years SRSR str. till Krasnogvardeysiy Boulevard in segments:</p> <ul style="list-style-type: none"> - from 50-years SSSR str. till Naberegnaya str. – 15023,226 tsd. UAH. ; - from Maria Uljanova str. till Naberegnaya str. – 27109,765 tsd. UAH.; 		
4. Status of project preparation (design, feasibility study, environmental impact assessment, planning approvals, land acquisition, tendering)		
Approval Stage	Date	Status (obtained / in process / planned)
Working project	Being expertized dd. 08.09.2008	
5. Envisaged financing plan and status of funding approvals		
<p>Revenue side of the Municipal budget amounts to 1772168,9 Tsd. UAH</p>		
6. Potential borrower of loans, source of loan repayment		
<p>Donetsk city council</p>		
7. Technical assistance required for project preparation		
<p>Not required</p>		

Project Brief

1. Project title		
Construction motorway from Baidykova str. till Kiyvskiy avenue		
2. Brief description (incl. physical quantities)		
Common length of reconstruction of boulevard equals 4,2 km, from them: 2,465 km – building of new road from four bars of breadth is 3,75 m – each and sidewalks are 1,5 m ; a 1,735 km – expansions of motorway is on an existent street. Building of three bridges and trestle is foreseen		
3. Cost estimate (state currency, without VAT)		
Approximate cost of construction motorway from Baidykova str. till Kiyvskiy avenue – 232349,0 Tsd. UAH.		
4. Status of project preparation (design, feasibility study, environmental impact assessment, planning approvals, land acquisition, tendering)		
Approval Stage	Date	Status (obtained / in process / planned)
It is developed TEO; development of detail design is conducted	on examination from 17.09.08	
5. Envisaged financing plan and status of funding approvals		
Revenue side of the Municipal budget amounts to 1772168,9 Tsd. UAH		
6. Potential borrower of loans, source of loan repayment		
Donetsk city council		
7. Technical assistance required for project preparation		
Not required		

Project Brief

1. Project title		
Building of motor transport upshots is round a stadium „Donbass Arena”: - on crossing of Cheluskintcev street and Mira avenue; - on crossing of Cheluskintcev street and Titova avenue; - on crossing of Mira avenue and 50-years USSR street		
2. Brief description (incl. physical quantities)		
I. Foreseen reconstruction of main street the 50-years USSR -0,5 km; reconstruction of Mira avenue-0,5 km; building of a transport upshot is in different levels; reorganization of communication. II. Reconstruction of Cheluskintcev street -0,76 km; reconstruction of Mira avenue-0,3 km; transport upshot is in different levels with building of city flyover; reorganization of operating communication. III. Reconstruction of street Cheluskintcev-0,45 a km; boulevard Titova-0,3km; building of a transport upshot is in different levels with arranging of crossover, reorganization of operating communications.		
3. Cost estimate (state currency, without VAT)		
Approximate cost of building of motor transport upshots is round a stadium „Donbass Arena” – 850000 Tsd. UAH.		
4. Status of project preparation (design, feasibility study, environmental impact assessment, planning approvals, land acquisition, tendering)		
Approval Stage	Date	Status (obtained / in process / planned)
Development of TEO		
5. Envisaged financing plan and status of funding approvals		
Revenue side of the Municipal budget amounts to 1772168,9 Tsd. UAH		
6. Potential borrower of loans, source of loan repayment		
Donetsk city council		
7. Technical assistance required for project preparation		
Not required
